Scott / =elinda / Heather

After we =ent our email yesterday to encourage 12 year old players to consider =he JPL program , we received a few comments back that there were being =nder 11 teams and players already nominated to play up into the 12/13 =ge bracket in Mackay.

As you =ould know we recently advised that Under 11 players would not be =ermitted to play in the Under 12 JPL program due to concerns about =laying out of appropriate age group and also the actual competition =ormat they would play in..older players, bigger fields, full sided etc. =t would therefore not be acceptable for the zone to consider these =ther requests given the Player Age recommendations we made to zones =bout players playing in designated age groups unless exceptional =ircumstances exist. We did approve the combined 12/13, 14/15 and =6/17/18 competitions as per zone request but no other =ariations.

Trust this clears up any confusion that may exist in =he area.
